**Subject:** Subsidy Follow Up

Hi Officer Fritz,

Thank you for the time today. I understand that Stafford PD has \$20,000 to invest in smart home security for residents. I understand that one option is to purchase in bulk. I am not sure if this is offered or what the pricing would be, as the Neighborhoods department does not handle these types of inquiries. I would reach out to [prochannel@ring.com](mailto:prochannel@ring.com) for more information on a bulk order.

The program that we offer is the subsidy program. I think its a better option than a bulk order because Ring will match your funding up to \$50 per household. Also I think you will see more engaged users since the residents do have to pay for some of the device themselves. A lot of times when people get free devices they aren't as likely to subscribe to cloud storage to save the videos or even get around to activating the devices. The subsidy program is more of a community partnership between the city and the resident.

Ring will give residents \$50 off a ring device of their choice. We have a variety of doorbells and security cams to choose from. The city/PPD will match with a \$50 or more subsidy which gives the resident a least \$100 off the device of their choice funded by Ring and the city.

I have attached more information on the program as well as our standard agreement. We are aligned with a May 18th date if we are able to get the agreement finished in time. Please let me know if you have any questions.

Thank you,

Stacy,

We would like to move forward with the subsidy program. Please advise how to proceed. We will be investing \$20,000.00 into the program. Please send over an invoice so we can begin to process that. Thanks.

**Subject:** Ring Portal Introduction

**Categories:** Important

Good Afternoon Stafford PD Team,

I would like to introduce myself, my name is Anthony Modestine and I will be Stafford PDs new Account Manager moving forward between the Ring<>Stafford Partnership. We made the change due to the fact that I am actually located on the East Coast(Philly) which should be better if anything important comes up. If anyone has any questions about the Portal feel free to reach out to me directly @ [Anthony@ring.com](mailto:Anthony@ring.com) or my cell 610-220-5432.

I also wanted to touch base and make sure I provide everyone some quick best practice tips especially about commenting.

### Portal -Neighbors Feed

1. The Neighbors Feed is the most **IMPORTANT** part of Portal.
2. The more your team comments and sends out LE Post the more your community will engage with you on it. (ex: They will upload and share more content. Want to share videos when they receive a Video Request Email, etc )
3. I recommend that everyone that has access to Portal is to try and comment on Neighbors Post as often as possible. This is great for your community to see names of the entire Stafford PD interacting than just one officer.
4. Commenting can be anything from: Thanks for Sharing!, We will have our team look into this or you can provide some sort of safety tip!
5. The more you engage with your community the better success you will have with Portal!

Don't forget to share you Department Download and Text link! The more people that download the Neighbors App from your Specific link the more Ring Doorbells we can provide you to hand out to the community!

**Download link:** [download.ring.com/stafford](http://download.ring.com/stafford)  
**Text Link:** Text staffordpd to 555888

Thanks again and I look forward to working with you all!

## POSTS

How to create a Post:

**ring** Neighbors Portal **Martin County Sheriff's Office**

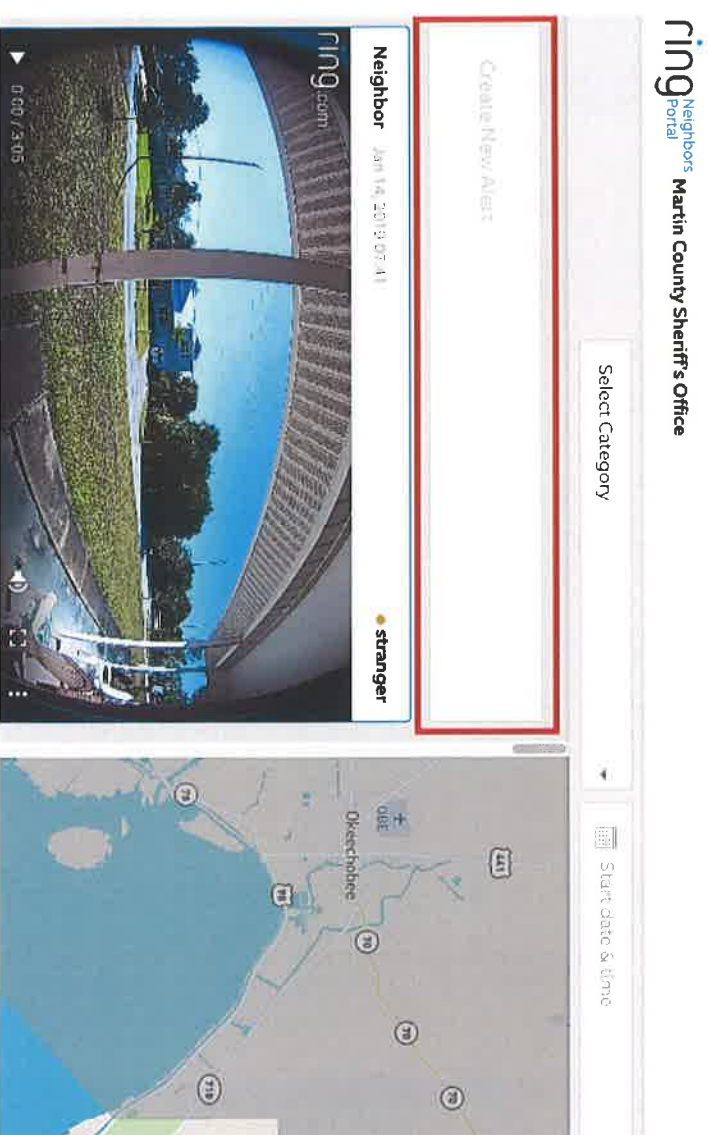

Select Category

Create New Alert

Neighbor Jan 14, 2019 07:41 **stranger**

0:00 / 3:05

Start date & time

The screenshot shows the Ring Neighbors app interface. At the top, there's a header with the Ring logo, 'Neighbors Portal', and 'Martin County Sheriff's Office'. Below this is a 'Select Category' dropdown menu. The main content area is divided into two sections. The top section, titled 'Create New Alert', shows a video post from a user named 'Neighbor' dated 'Jan 14, 2019 07:41' with a 'stranger' tag. The video shows a street scene with a car. The bottom section shows a map with a location pin and the address '0000 Doe St, Des Moines, IA 50319'.

- Best practice is to post at least 1x/week to notify nearby users in real time of PD's crime & safety posts
- Neighbors App **only** shows crime and safety posts in civilians' news feeds
  - Unlike Facebook, Nextdoor, and Twitter which show friends' content, job posts, furniture selling and ads in their newsfeeds
- Suggested crime & safety content: Video Request posts, **Booking Report**, **#Lockitorloseit**, **#9pmroutine**, Wanted Person, safety announcements, safety tips, BOLOs, Requests for Identification, etc.
- Can include a photo or video

## VIDEO REQUESTS

A Post should always be created alongside a Video Request. Template for Post:

**Subject:** *[Video Request]* Please submit any helpful evidence

**Location:** *[address of incident]*

*Description: On [Date] a crime was committed in the area of [location]. You may have received an email from us requesting captured video that can help solve this case. Please check your email. If you have any evidence (video, photos, etc.) that may help, please share with us by sending any relevant footage to [detective email address].*

## **COMMENTS ON POSTS**

Here are examples from other agencies on how to best comment on posts:

Showing All Comments	Hide Comments
<p><b>Ring 9d</b> Thanks for posting. If you have filed a police report, please share the case number and officer's contact information below. Once we have a case number, the Neighbors Team may use your video to help law enforcement identify the suspect. Reply <input type="checkbox"/></p>	
<p><b>Det Sgt Ferrara - Gainesville Police Department 9d</b> Please report this to the police so we can identify and arrest this person. This is the perfect time of year to set an example of what not to do. Thanks! Sgt Ferrara Reply <input type="checkbox"/></p>	
<p><b>Det Sgt Ferrara - Gainesville Police Department 1hr</b> Both suspects have been identified and warrants have been issued on both. Reply <input type="checkbox"/></p>

**Sent:** Friday, February 22, 2019 9:04 AM  
**To:** Press Release  
**Subject:** Press Release - The Stafford Township Police Department Joins 'Neighbors' by Ring

**The Stafford Township Police Department Joins 'Neighbors' by Ring to Provide Users with Real-Time, Local Crime and Safety Information**  
*Neighbors aims to reduce crime in neighborhoods by connecting people, security cameras and law enforcement.*

**Stafford Twp., NJ 2/22/19** - The Stafford Township Police Department today announced that it is joining the Neighbors app by Ring (available via iOS/Android here: <https://download.ring.com/stafford> ) to provide the Stafford Township community with real-time, local crime and safety information. The Neighbors network already has millions of users and has been instrumental in catching package thieves, stopping burglaries, and keeping neighborhoods safe.

Residents can download the free Neighbors app, join their neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from their neighbors, local law enforcement and the Ring team.

“We are excited to bring the concept of Neighborhood Watch into the 21<sup>st</sup> Century in Stafford with the Neighbors app by Ring. With the popularity of app-based security on the rise, neighbors are now able to upload and share safety information and potential criminal activity with one another and with law enforcement”, Stafford Police Chief Thomas Dellane stated. “The Neighbors app will allow our Officers and residents to communicate and work together in keeping our neighborhoods safe and solving crime”.

Jamie Siminoff, Chief Inventor and Founder of Ring, said: “We’re excited to have the Stafford Township Police Department join Neighbors to keep their community up-to-date on local crime and safety information. Over the past few years we have learned that, when neighbors, the Ring team and law enforcement all work together, we can create safer communities. Neighbors is meant to facilitate real-time communication between these groups, while maintaining neighbor privacy first and foremost. By bringing security to every neighbor with the free Neighbors app, the Stafford Township community can stay on top of crime and safety alerts as they happen.”

### How It Works

- Download the Neighbors app on iOS and Android here: <https://download.ring.com/stafford> or by texting “staffordpd” to 555888 from your smartphone.

- Opt-in to join your neighborhood.
- Customize the geographic area you want to receive notifications for (users must verify where they are located and cannot participate in other neighborhoods).
- Receive real-time alerts from your neighbors, local law enforcement and the Ring team that inform of crime and safety alerts as they happen.
- View local crime and safety posts via a live feed or interactive map.
- Share text updates, photos and videos taken on any device, including Ring's home security devices.
- Work with your community to make neighborhoods safer.

### About Neighbors

Neighbors is a neighborhood watch app that provides real-time, local crime and safety information. Download the free Neighbors app (iOS/Android), join your neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from your neighbors, local law enforcement and the Ring team. Download Neighbors (iOS/Android) today to join your digital neighborhood watch. For more information visit [www.ring.com/neighbors](http://www.ring.com/neighbors).

### About Ring

Ring's mission is to reduce crime in neighborhoods by creating a Ring of Security around homes and communities. Ring is an Amazon company. The Ring [product line](#), along with [Neighbors](#) by Ring, enable Ring to offer affordable, whole-home and neighborhood security devices and services. In fact, one Los Angeles neighborhood saw a [55 percent](#) decrease in home break-ins after Ring Doorbells were installed on just ten percent of homes. For more information, visit [www.ring.com](http://www.ring.com). With Ring, you're always home.

Hello Officer Fritz,

Apologies for the delay. Attached release has been perused and approved with minor edits in tracked changes :)

Edits serve to clarify that participation is not dependent upon owning a home security device. Hope this works! If so, let me know when you plan to distribute the release / posts to social media based on your Dept calendar and what will make the biggest positive impact with the local media.

Best,

Morgan

**Subject:** Re: PR Materials: Stafford Township Police Department (NJ) Joins Neighbors By Ring

I have resent the email with Lieutenant Vaughn attached to this email.

Great to connect with you once again Officer Fritz and congratulations to your Department on being one of the first agencies in New Jersey to officially launch on the Neighbors app platform.

With Onboarding scheduled for Monday the 18th of February time is of the essence in order to get everything in order. I have CC'd our PR Coordinator Morgan Culbertson as well as provided you below with the initial press packet of materials.

In this dropbox folder you can view and download the announcement press packet which includes the following materials;

- **Press Release Template:** Ready for you to review and customize with a quote, suggested edits to content and to incorporate into official Department release format. Be sure to share your edits with us in a tracked changes version for sign-off prior to distribution.
- **Sample Social Media Posts & In-App Alert:** Sample content to share across your existing social media platforms in tandem with the press release and In-App alert pushed by Ring to all local Neighbors app users.
- **Talking Points & Reactive Q&A:** Internal docs to prepare Dept. spokespeople to speak about the Neighbors app and our partnership with confidence and respond to commonly asked questions we have come to expect from the press and public.
- **Neighbors App Logo & Imagery:** High-res versions of the Neighbors app logo and other contextual images approved for use in press releases, social media posts and other public communications moving forward.

Best practice thus far has been for Departments to announce via press release, posts on social media and the In-App alert within a day or so of their actual Onboarding date or early the morning of. Of course, that may be difficult given the short timeframe and turn around for us before today but just let me know what is doable and preferred for you all and I'll be on standby to assist.

Being that you all are one of the first in the state I'd say there's certainly a benefit in being as strategic as possible in deciding how and when you want to release based on your knowledge of the local media market, current press cycle, etc. in order to maximize the impact of the announcement.

Let me know when you anticipate wanting to rollout the announcement and if you have any questions in the meantime!

Best,

With Onboarding scheduled for Monday the 18th of February time is of the essence in order to get everything in order. I have CC'd our PR Coordinator Morgan Culbertson as well as provided you below with the initial press packet of materials.

In this dropbox folder you can view and download the announcement press packet which includes the following materials;

- **Press Release Template:** Ready for you to review and customize with a quote, suggested edits to content and to incorporate into official Department release format. Be sure to share your edits with us in a tracked changes version for sign-off prior to distribution.
- **Sample Social Media Posts & In-App Alert:** Sample content to share across your existing social media platforms in tandem with the press release and In-App alert pushed by Ring to all local Neighbors app users.
- **Talking Points & Reactive Q&A:** Internal docs to prepare Dept. spokespeople to speak about the Neighbors app and our partnership with confidence and respond to commonly asked questions we have come to expect from the press and public.
- **Neighbors App Logo & Imagery:** High-res versions of the Neighbors app logo and other contextual images approved for use in press releases, social media posts and other public communications moving forward.

Best practice thus far has been for Departments to announce via press release, posts on social media and the In-App alert within a day or so of their actual Onboarding date or early the morning of. Of course, that may be difficult given the short timeframe and turn around for us before today but just let me know what is doable and preferred for you all and I'll be on standby to assist.

Being that you all are one of the first in the state I'd say there's certainly a benefit in being as strategic as possible in deciding how and when you want to release based on your knowledge of the local media market, current press cycle, etc. in order to maximize the impact of the announcement.

Let me know when you anticipate wanting to rollout the announcement and if you have any questions in the meantime!

Best,

**Subject:** Welcome to Neighbors Stafford Township PD!

Greetings,

Thank you for joining today's training session of Neighbors Portal by Ring! As mentioned, you will receive an email invitation to set up your account by end of day.

Below is a guide to get started which includes directions on creating your account, key takeaways from today's training, and your unique department link and promo code for special law enforcement offers.

### Creating an Account

*\*Please access the Neighbors Portal using Firefox or Chrome. Internet Explorer is not compatible.*

1. Check your inbox for an email from Ring Team
2. Click the **Join Portal** button
3. Follow the prompts to create your account
4. Bookmark <https://nw.ring.com/> for quick, easy access to Neighbors Portal

### Key Takeaways

1. **Engage on Portal.** The more your community sees your involvement, the more effective Portal features become when interacting with them.
2. **Join an Alert Zone.** Let us deliver the most important crime related posts directly to your inbox. Joining an Alert Zone is easy:
  1. Sign in → click on the blue profile icon in the upper right corner → **My Profile**
  2. Click **Select Alert Zone**
  3. Choose an **Alert Zone**
3. **Anyone Can Use Neighbors.** Neighbors is a free app that anyone can download and use. Portal grows in value with each resident that downloads the Neighbors App.

*\*For Ring's law enforcement guidelines, please click [here](#).*

### Special Offers for Law Enforcement

1. Download the FREE Neighbors App by texting **staffordpd** to **555888** or by visiting <https://download.ring.com/stafford>
2. Get **\$50 off** of eligible Ring Video Doorbells, Security Cams, and our Ring Alarm when you shop at Ring.com. Use discount code: **nbstafford** and be sure to check out using your department email address ([cfritz@staffordpolice.org](mailto:cfritz@staffordpolice.org))

*\*Discount does not apply towards accessories and/or already discounted devices, including but not limited to Ring Video Doorbell Classic*  
Lastly if you have a free moment, please click [here](#) to take a quick 2 minute survey on today's training. If you have any questions or need support at all, feel free to contact me any time at [dylan.judson@ring.com](mailto:dylan.judson@ring.com) or 3392250990. It was a pleasure meeting your team and I hope to connect again soon!

Best,

**CC:** Morgan Culbertson; Anthony Modestine; James Vaughn  
**Subject:** Re: PR Materials: Stafford Township Police Department (NJ) Joins Neighbors By Ring

I have resent the email with Lieutenant Vaughn attached to this email.

Great to connect with you once again Officer Fritz and congratulations to your Department on being one of the first agencies in New Jersey to officially launch on the Neighbors app platform.

With Onboarding scheduled for Monday the 18th of February time is of the essence in order to get everything in order. I have CC'd our PR Coordinator Morgan Culbertson as well as provided you below with the initial press packet of materials.

In this dropdown folder you can view and download the announcement press packet which includes the following materials;

- **Press Release Template:** Ready for you to review and customize with a quote, suggested edits to content and to incorporate into official Department release format. Be sure to share your edits with us in a tracked changes version for sign-off prior to distribution.
- **Sample Social Media Posts & In-App Alert:** Sample content to share across your existing social media platforms in tandem with the press release and In-App alert pushed by Ring to all local Neighbors app users.
- **Talking Points & Reactive Q&A:** Internal docs to prepare Dept. spokespeople to speak about the Neighbors app and our partnership with confidence and respond to commonly asked questions we have come to expect from the press and public.
- **Neighbors App Logo & Imagery:** High-res versions of the Neighbors app logo and other contextual images approved for use in press releases, social media posts and other public communications moving forward.

Best practice thus far has been for Departments to announce via press release, posts on social media and the In-App alert within a day or so of their actual Onboarding date or early the morning of. Of course, that may be difficult given the short timeframe and turn around for us before today but just let me know what is doable and preferred for you all and I'll be on standby to assist.

Being that you all are one of the first in the state I'd say there's certainly a benefit in being as strategic as possible in deciding how and when you want to release based on your knowledge of the local media market, current press cycle, etc. in order to maximize the impact of the announcement.

Let me know when you anticipate wanting to rollout the announcement and if you have any questions in the meantime!

Best,

On Wed, Feb 13, 2019 at 3:19 PM Dylan Judson <dylan.judson@ring.com> wrote:

Great to connect with you once again Officer Fritz and congratulations to your Department on being one of the first agencies in New Jersey to officially launch on the Neighbors app platform.

With Onboarding scheduled for Monday the 18th of February time is of the essence in order to get everything in order. I have CC'd our PR Coordinator Morgan Culbertson as well as provided you below with the initial press packet of materials.

In this dropbox folder you can view and download the announcement press packet which includes the following materials;

- **Press Release Template:** Ready for you to review and customize with a quote, suggested edits to content and to incorporate into official Department release format. Be sure to share your edits with us in a tracked changes version for sign-off prior to distribution.
- **Sample Social Media Posts & In-App Alert:** Sample content to share across your existing social media platforms in tandem with the press release and In-App alert pushed by Ring to all local Neighbors app users.
- **Talking Points & Reactive Q&A:** Internal docs to prepare Dept. spokespeople to speak about the Neighbors app and our partnership with confidence and respond to commonly asked questions we have come to expect from the press and public.
- **Neighbors App Logo & Imagery:** High-res versions of the Neighbors app logo and other contextual images approved for use in press releases, social media posts and other public communications moving forward.

**To:** Christopher M. Fritz  
**Subject:** Ring Stafford Township Onboarding Follow Up

Officer Fritz,

Thank you for your time last week!

Recap below as promised:

### 1. Onboarding/Training

a) **Target Date: Beginning of February (2/11-2/12)\***

b) **Suggested Schedule:** A remote on boarding which will take up to an hour and a half. I suggest targeting a time in the early parts of the afternoon where we can have the group that will be operating the account there for a screen share training session. It is a train the trainer model so we will make sure to go over any questions or concerns moving forward.

c) **Invite Template:** Below is some language that can be used to invite users to the training.

*"Team,*

*We will be partnering with home-security company Ring.com, to utilize a platform they've created specifically for law enforcement called the "Neighbors Portal". [Here's a quick video](#) explaining how it works.*

*The Neighbors Portal will allow us to post and comment directly to the Neighbors App, send out real-time crime and safety alerts, and request footage from Ring users for investigative purposes.*

*Ring will be joining us on [Date] to train our department on the tool so please keep an eye out for a calendar invite."*

**d) Final Headcount** - I will follow up with you 5 days before the scheduled onboarding to finalize a total headcount with you as we'll need enough time to assemble and ship the training packets so please keep this in mind!

## 2. Portal Requirements

**a) Shapetile** - I'll need a shapetile of your jurisdictional boundaries in order to create the portal (GIS format preferred but we should be able to convert most). Please send that over at your earliest convenience.

**b) Chrome Access** - Once the portal is created, I will invite as the first user to test your agency's access on Internet Explorer. Once I work out with him which browser it will need to be I'll send you an invite to be an admin.

**c) Beats Map** - Please send over a Beats map of the jurisdiction so we can create the areas for your portal.

**d) User Provisioning** - Attached is an Excel doc outlining what info is needed to set up users in portal. Please add everyone that would potentially need an account and send it back to me before onboarding day. Accounts will NOT be provisioned until after the onboarding and I'll be confirming the final user list with you before doing so. Please let me know if you have any questions on this!

## 3. Miscellaneous

**a) Distributing Donation Units** - Below are some ideas from what other agencies have done:

1. **Rafting off devices at community events** by verbally telling attendees to text your code to 555-888 (which texts them your attribution link) and having them download the app on the spot. Winner must show you the app on their phone to redeem their prize. (80 downloads from 100 people in the room = 4 more donation devices). This code will be created and sent out to you prior to onboarding.

2. **Donating directly to homeowners** who have been burglarized or domestic violence victims who have active restraining orders filed.

3. **Donating directly to a crime-related non-profit** like your local Crime Stoppers program for them to distribute.

**b) Seed Units** - To see the program initially we will be sending you 5 devices to start. I'll be sending them to your attention and will follow up with a tracking link once I receive it. Can you confirm that they should be sent to:

260 E Bay Ave  
Manahawkin, NJ 08050  
United States

**c) Driving app downloads** - I will be following up with a specially targeted download link and text code to send out into your community.

**Subject:** OPRA Request | RING

Good Afternoon Caroline,

I am in receipt of your OPRA request regarding RING.

It is my understanding Township *did not* direct any city funds toward providing a discount to RING products.

Would you still like this OPRA request filled?

If so, I will be requesting an extension on the 7 business day response deadline of 30 days pursuant to N.J.S.A. 47:1A-5(i).

Considering the our original 7 business day response deadline is Monday, September 9<sup>th</sup>, 2019, our new deadline will be Wednesday, October 9<sup>th</sup>, 2019.

The Officer who handled the RING business communication has since retired, and all of his electronic communications have been archived.

I am setting up a meeting with our IT Department Head to review his electronic communication, but the meeting date has not been set.

If you still wish to attain this information through this OPRA request, kindly let me know.

Thank you.

**Subject:** New Jersey Open Public Records Act Request: Ring promo Stafford

Municipal Clerk Stafford Township, Stafford Township  
OPRA Office  
260 E Bay Ave  
Manahawkin, NJ 08050

August 29, 2019

To Whom It May Concern:

Pursuant to the New Jersey Open Public Records Act, I hereby request the following records:

Public records show that this city has entered into a Promotional Discount Agreement with Ring, Amazon's home security camera company. (<https://patch.com/new-jersey/barnegat-manahawkin/ring-brings-surveillance-subsidy-program-stafford>) These agreements direct city funds toward providing a discount on Ring products, such as doorbell cameras.

Therefore, I hereby request the following records related to Ring and possible Promotional Discount Agreements:

1) All calendar invitations, instructional materials, presentations and presentation materials (including recorded video and audio, PowerPoint files, prepared remarks, and slides formats), and other documents that mention Ring devices and/or the Neighbors app. This includes A) any minutes/notes taken during meetings that discussed the use of Ring devices and/or the Neighbors app, B) any explanations (whether internally or externally generated) of how Ring devices and/or the Neighbors app work, and C) any other document that has been used to help explain the use, marketing, or promotion of Ring devices and/or the Neighbors app to any party, including internal documentation, public relations materials, and executive summaries.

2) A copy of any privacy impact assessments, use policies, standard operating procedures, data retention policies, legal opinions, warranties, non-disclosure agreements, contracts, liability waivers, insurance agreements, Promotional Discount Agreements, Requests for Proposals, Responses to Requests for Proposal, Memorandums of Understanding, Letters of Interest, usage policies, or informal agreements between the city and Ring.

3) A copy of any funding opportunity announcements, grant applications and grantor status/progress reports, reports to legislative bodies, annual reports that mention Ring or the Neighbors app, as well as audit records, including but not limited to security audits of the software, misuse reports, and reports to oversight bodies.

4) Any digital communications including but not limited to emails and text messages) as well as documents, (including but not limited to PDF, word processing, excel, and slide documents) that mention Ring or the Neighbors app.

5) Any digital communications (including but not limited to emails and text messages) between city government workers with Ring representatives.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes. It will be used in the course of reporting for Motherboard, VICE's science and technology website (motherboard.vice.com).

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 7 business days, as the statute requires.

Sincerely,

Caroline Haskins

**Subject:** Your Ring + Stafford Promo Code!

Thank you for your application. Promo codes will be given on a first-come, first-served basis. Please note that receiving a code does not guarantee a discounted device as there are a limited amount of devices available for the program.

We recommend residents use their unique codes **as soon as possible** to take advantage of the program. Codes can only be redeemed on [ring.com](http://ring.com) and are valid for a single-use only.

Only (1) product per household can be purchased with a \$100 discount off the retail price.

**Code information:**

- \$100 off the retail price of (1) select device: **NBSBstaff100-8hv729**

If you have any questions or are experiencing a problem using your code, please email [partnerhelp@ring.com](mailto:partnerhelp@ring.com).

**Eligible devices:**

- Video Doorbell 2
- Video Doorbell Pro
- Spotlight Cam Battery
- Spotlight Cam Wired
- Spotlight Cam Solar
- Stick Up Cam Battery
- Stick Up Cam Wired
- Floodlight Cam
- Alarm Security Kit (5-piece)

While you wait, join the conversation happening in your neighborhood by downloading the free Neighbors App by Ring. You do not need a Ring device to join the Neighbors App. [Download Neighbors](#)

Have a nice day!

The Ring Neighborhoods Team

Officer Fritz,

It was nice connecting with you today. I understand that your department has \$20,000 from the police foundation to use for purchasing cameras. I manage the subsidy program which is a community outreach program that offers discounts to residents on Ring devices of their choice. Ring will give Stafford residents \$50 off towards a Ring device and Stafford will match with a \$50 subsidy. Together we can offer \$100 to Stafford residents so that they can

purchase a video doorbell of their choice. With a \$20,000 investment, that would mean that 400 residents could take part in this unique program.  
Check out the [article](#) from Berkeley NJ. Please let me know if need references or more information.

Have a nice weekend.

Hello Officer Fritz,

Nice to meet you. Anthony Modestine let me know you were interested in the subsidy program we offer. I am attaching a one page informational sheet for your review.

Ring will give residents \$50 off a Ring device of their choice and the city/PD will match with a \$50 subsidy. Together we can offer Stafford residents \$100 a Ring home security product.

We've seen great success with this program in many other cities and are excited for the potential partnership.

Have a good evening.

**To:** <[cfritz@staffordpolice.org](mailto:cfritz@staffordpolice.org)>  
**Subject:** Ring Stafford Township Onboarding Follow Up

Officer Fritz,

Thank you for your time last week!

Recap below as promised:

#### 1. Onboarding/Training

**a) Target Date: Beginning of February (2/11-2/12)\***

**b) Suggested Schedule:** A remote on boarding which will take up to an hour and a half. I suggest targeting a time in the early parts of the afternoon where we can have the group that will be operating the account there for a screen share training session. It is a train the trainer model so we will make sure to go over any questions or concerns moving forward.

**c) Invite Template:** Below is some language that can be used to invite users to the training.

*"Team,*

*We will be partnering with home-security company [Ring.com](https://ring.com), to utilize a platform they've created specifically for law enforcement called the "Neighbors Portal". [Here's a quick video](#) explaining how it works.*

*The Neighbors Portal will allow us to post and comment directly to the Neighbors App, send out real-time crime and safety alerts, and request footage from Ring users for investigative purposes.*

*Ring will be joining us on [Date] to train our department on the tool so please keep an eye out for a calendar invite."*

**d) Final Headcount** - I will follow up with you 5 days before the scheduled onboarding to finalize a total headcount with you as we'll need enough time to assemble and ship the training packets so please keep this in mind!

## 2. Portal Requirements

- a) **Shapefile** - I'll need a shapefile of your jurisdictional boundaries in order to create the portal (GIS format preferred but we should be able to convert most). Please send that over at your earliest convenience.
- b) **Chrome Access** - Once the portal is created, I will invite as the first user to test your agency's access on Internet Explorer. Once I work out with him which browser it will need to be I'll send you an invite to be an admin.
- c) **Beats Map** - Please send over a Beats map of the jurisdiction so we can create the areas for your portal.
- d) **User Provisioning** - Attached is an Excel doc outlining what info is needed to set up users in portal. Please add everyone that would potentially need an account and send it back to me before onboarding day. Accounts will NOT be provisioned until after the the on boarding and I'll be confirming the final user list with you before doing so. Please let me know if you have any questions on this!

## 3. Miscellaneous

a) **Distributing Donation Units** - Below are some ideas from what other agencies have done:

1. **Raffling off devices at community events** by verbally telling attendees to text your code to 555-888 (which texts them your attribution link) and having them download the app on the spot. Winner must show you the app on their phone to redeem their prize. (80 downloads from 100 people in the room = 4 more donation devices). This code will be created and sent out to you prior to on boarding.
  2. **Donating directly to homeowners** who have been burglarized or domestic violence victims who have active restraining orders filed.
  3. **Donating directly to a crime-related non-profit** like your local Crime Stoppers program for them to distribute.
- b) **Seed Units** - To see the program initially we will be sending you 5 devices to start. I'll be sending them to your attention and will follow up with a tracking link once I receive it. Can you confirm that they should be sent to:
- 260 E Bay Ave  
Manahawkin, NJ 08050  
United States
- c) **Driving app downloads** - I will be following up with a specially targeted download link and text code to send out into your community.
